EDUCATION

Ph.D. (anthropology), Harvard University, June 1981; Dissertation: *Early Neolithic Economy and Settlement in the Polish Lowlands*.

A.M. (anthropology), Harvard University, June 1977.

B.A. (*magna cum laude* with honors in anthropology), University of Pennsylvania, December 1974.

Summer study at Yale University Summer Language Institute (1972) and Jagiellonian University, Kraków, Poland (1973); two-semester course at Center for Materials Research in Archaeology and Ethnology at MIT in early agriculture and zooarchaeology (1976-77).

ACADEMIC EMPLOYMENT AND SERVICE

Princeton University

Associate Dean for Undergraduate Affairs, School of Engineering and Applied Science, July 2000-present

Assistant Dean for Undergraduate Affairs, School of Engineering and Applied Science, February 1994 - June 2000

Founding Director of Studies, Forbes College, July 1983 - February 1994; Fellow of Forbes College, 1994-present

Lecturer, Department of Anthropology, Fall 1984; Spring, Fall 1987; Spring, Fall 1988; Spring 1990; Spring 1991; Spring 1992 (Residential College Seminar); Spring 1994 (Freshman Seminar Program); Spring 2004 (Writing Program).

Preceptor, Department of Civil Engineering and Operations Research, Spring, Fall 1995; Spring, Fall 1996; Fall 1997; Fall 1998; Fall 1999; Fall 2000; Fall 2001.

University of Pennsylvania

Visiting Lecturer, Department of Anthropology, January-June 1989

University of Massachusetts at Boston

Lecturer, Department of Anthropology, January 1982 - July 1983

Harvard University

Slavic Indexer, Tozzer Library, September 1981-June 1983

Assistant Senior Tutor, South House, July 1980 - June 1981

Teaching Fellow, Department of Anthropology, January 1977 - June 1979, January - June 1981

Teaching Fellow, Department of General Education, January - June 1980, January - June 1981

Resident Tutor in Anthropology, South House, September 1977 - June 1981

Teaching Assistant, Commission on Extension Courses, September 1979 - January 1980, September 1980 - January 1981, September 1981 - June 1982

COURSES TAUGHT

As principal or sole instructor at Princeton, University of Pennsylvania, and University of Massachusetts-Boston:

Introduction to Archaeology (lecture)

Archaeological Method and Theory (seminar)

European Prehistory (lecture)

Old World Prehistory (lecture)

Mysterious Megaliths (writing seminar)

Transitions to Agriculture (freshman seminar)

The Concept of Diaspora (residential college seminar)

Adviser to several reading courses, independent concentrations, and senior theses

As preceptor at Princeton:

Engineering and the Modern World (principal instructor, Prof. David Billington)

Structures and the Urban Environment (principal instructor, Prof. David Billington)

As teaching assistant at Harvard:

Introduction to Archaeology

World Prehistory

Historical Archaeology

Sophomore Tutorial

**SUMMARY OF CURRENT DUTIES AS ASSOCIATE DEAN, SCHOOL OF ENGINEERING AND APPLIED
SCIENCE, PRINCETON UNIVERSITY**

Maintains executive oversight of academic standing and progress of approximately 1,400 candidates for Bachelor of Science in Engineering degree; organizes freshman advising by faculty and peer advisers; coordinates academic support and retention programs; develops foreign study initiatives; organizes professional development activities; administers senior thesis and student organization funding; serves as member of Dean's Executive Committee and multiple University standing and ad hoc committees; advises five student organizations; coordinates departmental advising, scheduling, and student affairs; organizes selection of undergraduate prize winners; writes proposals to fund academic support and retention initiatives; coordinates exchange programs for engineering students and advises students on foreign study opportunities; serves as main engineering contact for prospective students, parents, faculty, alumni, and employers; undertakes special projects and provides advice as requested by Dean; drafted institutional self-study reports for ABET accreditation (2001-02, 2007-08; 2013-14, 2019-20) and coordinated preparations for evaluation and post-visit resolution (2013-14 and beyond); member of self-study committee on

undergraduate education (2014-15); associate director of Freshman Scholars Institute, a summer pre-matriculation program for students in science and engineering (2000-2010) with continued involvement currently; member of project advisory group for PeopleSoft student records system initiative (2003-08) with ongoing involvement in further computing and IT initiatives.

ACADEMIC AWARDS, HONORS, GRANTS, LECTURESHIPS, AND FELLOWSHIPS

Festschrift entitled *Walking Among Ancient Trees* in honor of Ryszard Grygiel and Peter Bogucki (2023)
Honorary Citizen of Brześć Kujawski, Poland (2023)
Archaeological Institute of America national lecturer 2021-22 (Denver, CO, Western Michigan)
Archaeological Institute of America inaugural Felicia A. Horton Lecturer (2021)
Archaeological Institute of America 2021 Felicia A. Horton Book Award for *The Barbarians: Lost Civilizations*.
First annual Churchill Scholarship Adviser Award from Winston S. Churchill Foundation (2019)
Kościuszko Foundation Collegium of Eminent Scientists of Polish Origin and Ancestry (2019)
Elected Fellow, Society of Antiquaries, London (2018)
Society for American Archaeology 2018 Book Prize in Popular category for *The Barbarians: Lost Civilizations*.
Archaeological Institute of America national lecturer 2015-16 (Bozeman MT, Petaluma CA)
Stanley J. Seeger Fund grant to participate in Thera Frescoes seminar, Akrotiri, Greece (2011)
Munro Lecturer in Archaeology and Anthropology, University of Edinburgh (2005)
Bicentennial Swedish-American Exchange Fund travel grant (1999-2000)
International Research and Exchanges Board (IREX) research travel grant (1996)
Wenner-Gren Foundation grant for palaeoecological research at Osłonki, Poland (1994)
American Philosophical Society grant for research travel to Poland (1994)
International Research and Exchanges Board (IREX) research travel grant (1993)
Wenner-Gren Foundation grant for archaeological excavations at Osłonki, Poland (1991)
Archaeological Institute of America lecturer 1990-91 (Bryn Mawr, Baltimore, Madison, NJ)
National Geographic Society grant for archaeological excavations at Osłonki, Poland (1990)
National Geographic Society grant for archaeological excavations at Osłonki, Poland (1989)
IBM hardware grant under IBM Advanced Education Project (1987)
International Research and Exchanges Board (IREX) Grant for Collaborative Activities and New Exchanges (1984 - 1985)
Sigma Xi Grant-in-Aid in Support of Research (1983)
Foreign Language and Area Studies Graduate Fellowships (1977 - 1981)
Department of Anthropology, Harvard University, Summer Fieldwork Grants (1976, 1977, 1978, 1979)
Sigma Xi (inducted May 198)
Phi Beta Kappa (inducted December 1974)

ARCHAEOLOGICAL FIELD RESEARCH

Osłonki, Poland; Neolithic and Iron Age settlement; July-August 1989, July-August 1990, July-August 1991, July-August 1993, July-August 1994; ongoing palaeoenvironmental research program in collaboration with W. Szafer Institute of Botany (Kraków) and Institute of Quaternary Research (Poznań).

Study trips and visits to sites and museums in Germany and Austria, 1990, 1998, 2010, 2018; Poland, 1996, 2004, 2006, 2007, 2008, 2010, 2011, 2012, 2013, 2023; Denmark, 1998, 2019; Italy, 1998; Sweden, 2000, 2002, 2019; Ireland, 2002, 2003, 2004, 2007, 2009, 2010, 2012, 2014, 2015, 2016, 2017, 2018, 2019, 2021, 2022; Greece, 2011; Hungary 2009, 2014, 2018; Spain 2019.

Nowy Młyn, Poland; Middle Neolithic settlement; July 1984 and July 1988

Brześć Kujawski, Poland; excavations and survey of Brześć Kujawski site catchment; August 1982

Study trip to sites and museums in West Germany, Holland, and France, August 1982

Brześć Kujawski, site 3, Poland; Early Neolithic settlement; June - September 1978, June - August 1979

Brześć Kujawski, site 4, Poland; Early Neolithic settlement; August - September 1976, June - August 1977

Kietrz, Poland; Bronze Age cemetery under direction of Prof. Marek Gedl, Jagiellonian University, June - July 1976

Study trip to sites and museums in Poland, Hungary, and Austria, July - August 1975

Kościusko National Memorial (Philadelphia, PA); excavation of 19th century features; National Park Service project, March - May 1975

Franklin Court (Philadelphia, PA); excavation of 18th and 19th century features associated with home of Benjamin Franklin; National Park Service project, June 1974 - March 1975

Waynesboro (Paoli, PA); excavation of 18th and 19th century features at the home of General Anthony Wayne under direction of John L. Cotter, University of Pennsylvania, January - August 1974

ARCHAEOLOGICAL LABORATORY RESEARCH AND COLLABORATIONS

Collaboration with Wiesław Lorkiewicz (Department of Anthropology, University of Łódź) in study and interpretation of archaeogenetic information from human skeletons at Osłonki, Poland.

Collaboration with doctoral and postdoctoral researcher Chelsea Budd (University of Oxford) on isotopic analysis and radiocarbon dating of human skeletons from Osłonki, Poland (Rick Schulting, Malcolm Lillie).

Collaboration with Biogeochemistry Laboratory at University of Bristol for study of dairying by early European farmers, 2011-2015 (Richard Evershed, Mélanie Salque).

Analysis and interpretation of Neolithic animal bones from Osłonki, Poland, July 1990 – present.

Analysis of Neolithic animal bones from Radziejów, Nowy Młyn, Falborz, and Opatowice, Poland, July 1984 – present.

Analysis of 17th and 18th century faunal samples from Charlestown, MA, July 1982 - June 1984.

Analysis of 17th, 18th, and 19th century faunal samples from the Follett, Rider-Wood, and Hall-Jackson sites, Portsmouth, NH, September 1981 - July 1983.

Analysis of faunal materials excavated at sites 3, 4 and 5 at Brześć Kujawski, Poland, September 1977 - June 1981, July 1988 – present.

Mammal tooth sectioning to investigate seasonal animal exploitation at Brześć Kujawski and neighboring sites, January 1978 - July 1983

Analysis of mammal teeth from Marlboro rock shelter, Massachusetts, September 1981

Analysis of bone tools from Morgan site, Louisiana, July 1981

Study of faunal materials from various small sites in Bohemia excavated in 1929 - 1931 by Dr. Robert Ehrich, June 1978

Analysis of faunal materials excavated at Homolka, Bohemia, by Dr. Robert Ehrich, American School of Prehistoric Research, January - June 1977

Analysis of 18th and 19th century artifacts excavated at Franklin Court and Kościuszko National Memorial, Philadelphia, PA, September 1974 - May 1975

SYMPOSIA ORGANIZED

(with Pam J. Crabtree) “Remembering Bernard Wailes: the Importance of European Later Prehistoric and Medieval Archaeology for American Anthropological Archaeology” with 10 participants, Society for American Archaeology annual meeting, Honolulu, April 6, 2013.

(with Pam J. Crabtree) "Second Northeast Faunal Analysis Conference" with 45 participants and fourteen speakers at Forbes College, Princeton University, April 9, 1988.

"Microcomputer Applications in Archaeology" with 30 participants and nine speakers at Forbes College, Princeton University, April 5, 1986.

PROFESSIONAL SERVICE

Lecturer, Smithsonian Journeys trip, “Prehistoric Mysteries of England and Ireland,” 2023

Associate advisory editor, *The Oxford Encyclopedia of Agriculture and the Environment*, 2015-2020

Founding member, Advisory Council, Aquincum Institute of Technology, Budapest, 2009-

External reviewer, Department of Anthropology, Monmouth University, 2011

International member of Panel H, UK Research Assessment Exercise 2005-2008

Study leader, Princeton University alumni trip “Ireland, the Building of a Civilization”, 2007

Advisory editor, [Cambridge Manuals in Archaeology](#), Cambridge University Press, 2004-

External member of Ph.D. committees at New York University (2, completed), CUNY Graduate Center (1, active), University of Illinois at Chicago (2, completed), Jagiellonian University, Kraków, Poland (1, completed).

Member of editorial advisory board of *RAPORT* 2012-present

Member of editorial advisory board of *Journal of Archaeology in the Low Countries* 2008-present

Member of editorial advisory board of *Archeologia Polona*, 2007-present

Member of editorial advisory board of *Journal of Field Archaeology*, 2003-present.

Member of editorial advisory board of *Environmental Archaeology*, 1998-2005.

Secretary-Treasurer of Board of Trustees of American Whig-Cliosophic Society, 1999-2000.

President, Princeton Chapter of Sigma Xi, 1997-98; member of executive committee, 1996-2001.
Member, Editorial Advisory Board of *Polish Review*, 1988-1992.
Member, Editorial Advisory Board of *Journal of Mediterranean Archaeology*, 1988-1992. **PUBLICATIONS**

BOOKS, MONOGRAPHS, AND EDITED VOLUMES

IN PREPARATION:

At First Light: Foragers and Farmers of Prehistoric Europe, 10,000-3,000 B.C. in preparation for Princeton University Press.

“Between the Loess and the Baltic: Neolithic Settlements of the Polish Lowlands during the Fifth Millennium B.C.” in preparation for major archival journal.

“The place of archaeology in the liberal arts” either a long article or short book.

Multiple scholarly articles and chapters in edited volumes and journals.

CONFERENCE PAPERS AND INVITED TALKS SINCE 2005

"Resilient Neolithic Households and Hamlets in the Polish Lowlands," Munro Lecture at University of Edinburgh, November 2005

“Working Neolithic Landscapes in the Polish Lowlands,” paper presented at the annual meeting of the European Association of Archaeologists, Kraków, Poland, September 2006

“How Wealth Happened in Neolithic Europe,” paper given at the annual meeting of the Society for American Archaeology, Austin, Texas, April 2007

“Mature Animal Economies of the Fifth Millennium B.C. in Central Europe,” paper given at the annual meeting of the Society for American Archaeology, Vancouver, British Columbia, March 2008

“The Importance of Borderlands in Neolithic Europe,” talk given at conference in honor of L.P. Louwe Kooijmans, Leiden University, June 2008

“People of the Longhouses: Neolithic Societies of the Fifth Millennium BC in Central Poland,” lecture given at the McDonald Institute of Archaeology, Cambridge University, November 2008

“Life and Death in Northern Poland 6500 Years Ago,” lecture given at the Institute of Archaeology, Budapest, Hungary, October 2009

“The OTHER People of the Longhouses: Life and Death in Northern Poland 6500 Years Ago,” lecture given at Cornell University, Department of Anthropology, October 2009

“People of the Longhouses: Frontier Households in Northern Poland During the Fifth Millennium B.C.,” lecture given at Harvard University, Department of Anthropology, November 2009

“People of the Longhouses: Frontier Households in Northern Poland During the Fifth Millennium B.C.,” lecture given at University of Illinois at Chicago, Department of Anthropology, December 2009

“Danubian Diaspora and the Farming Frontiers of Northern Europe, 5500-3000 B.C. lecture given at the Institute of Archaeology, Jagiellonian University, Kraków, Poland, October 2010

“Engineering Education for Innovation and Leadership: the Princeton Approach,” paper presented at the conference on Science, Technology, Higher Education, and Society in the Conceptual Age, Jagiellonian University, Kraków, Poland, July 2011

“Cycladic Prehistory in its European Context” talk given at the 3rd summer seminar of the Griphos Project at Akrotiri, Santorini, Greece, July 2011

“Preparing for the Past in Neolithic Europe” talk at conference on Approaching Monumentality in the Archaeological Record, Institute for European and Mediterranean Archaeology, University of Buffalo, May 2012

“The Archaeology of Neolithic dairying” keynote address at meeting of the Marie Curie Initial Training Network: Lactase persistence and the early Cultural History of Europe (LeCHE) VU University Amsterdam, The Netherlands, June 2012.

“The Western Carpathian Highlands during the Neolithic” keynote address at conference Settlement, Communication and Exchange Around the Western Carpathians in European Context, Jagiellonian University, Kraków, Poland, October 2012.

“Housing Values Decline in Neolithic Poland. Farmers ‘Dump Rubbish in Lake’, Attack Each Other With Weapons, ‘Trigger Erosion’” invited talk, Institute of Archaeology, Oxford University, November 2012.

“‘Disruptive technologies’ and the transition to agriculture in northern and western Europe,” paper given at the annual meeting of the Society for American Archaeology, Honolulu, Hawaii, April 2013.

“The Archaeology of Cheese: Ceramic Strainers, Lipid Residues, and Lactase Persistence in Prehistoric Europe,” invited talk to HHMI Summer Workshop for Science Teachers, Princeton University, July 2013 and July 2014.

“Housing Values Decline in Neolithic Poland. Farmers ‘Dump Rubbish in Lake’, Attack Each Other with Weapons, ‘Trigger Erosion’” invited talk, Archaeological Institute of America, Princeton Chapter, November 2013.

Invited discussant, “Where East Meets West: North American and East European Collaborative Research in the Carpathian Basin,” annual meeting of the Archaeological Institute of America, Chicago, January 2014.

“Divergent, Convergent, and Logistical Movement in Temperate Europe During the Sixth Millennium B.C.,” keynote address at annual meeting of the North American Theoretical Archaeology Group, New York, May 2015.

“On the Periphery and at a Crossroads: a Neolithic Creole Society on the Lower Vistula in the Fifth Millennium BC,” paper given at conference Culture Contact, Cultural Boundaries and Innovation in the 5th Millennium, Münster, Germany, September 2015.

“The Archaeology of Cheese: Cattle, Strainer, Chemistry, and Genes,” Archaeological Institute of America Matson Lecture, Bozeman, Montana, March 2016; Archaeological Institute of America Braidwood Lecture, Petaluma, California, March 2016.

“Life on the Danubian Frontier 7,000 Years Ago: Movement, Time, and Tension,” Theoretical Archaeology Group DEVA conference, Chester, England, December 2018.

“The Lengyel Interaction Sphere in East-Central Europe during the Late Fifth Millennium B.C.,” annual meeting of the Society for American Archaeology, Albuquerque, April 2019.

“‘Preference Cascades’ and the Transition to Agriculture,” First Conference on the Early Neolithic in Europe, Barcelona, Spain, November 2019.

“Meet the Barbarians,” inaugural Felicia H. Horton Lecture, Archaeological Institute of America, March 2021.

“The Barbarians: Lost Civilizations,” lecture at 92nd Street Y, New York City, May 2021.
